SUMMARY OF RESIDENTS'/FELLOWS' BENEFITS

FOR RESIDENTS AND FELLOWS NOT ON UMMC PAYROLL

Residents/Fellows who are not on the UMMC payroll must contact their human resources and/or payroll office to determine the benefits available to them under the terms of their employment.

FOR RESIDENTS AND FELLOWS ON UMMC PAYROLL

UMMC provides benefits to residents and fellows scheduled to work 20 or more hours per week. Benefits are available on the first day of the resident/fellow's employment, and costs are either paid by UMMC or shared with the employee as described in the following paragraphs.

HEALTH CARE PLANS

UMMC offers three health plan choices and the flexibility to waive coverage if you have insurance elsewhere. All of the plans are contributory for all levels of coverage.

University Network Quality Care is a triple option plan that allows you to self-refer to any provider. The provider you select determines your level of coverage. Option 1 is made up of physicians and facilities affiliated with the University of Maryland Medical System and provides the highest benefit level.

Kaiser Permanente is a managed care plan. For many services, the level of coverage is 100% after a small copayment. Under a managed care plan, you must use the services, physicians, and sites as directed by the plan.

Maryland Preferred Provider is a PPO plan with an in- and out-of-network feature. You may self-refer to any provider, however, benefits are paid at a higher level when you remain in-network. The network consists of CareFirst Preferred Providers of Maryland, CareFirst Select Preferred Providers and PHCS Healthy Direction providers

Prescription Drug and Vision Benefits

All of the health care plans offer vision and prescription benefits.

Waiver of Coverage

We offer a health plan rebate program for full-time employees who have medical care benefits elsewhere and choose not to participate in one of the UMMC medical care plans.

DENTAL CARE PLAN

The dental plan is CareFirst Regional Preferred Dental. Members receive the highest level of coverage when they use a dentist who is a participating CareFirst Regional Preferred Provider. However, this flexible plan provides out-of-network benefits as well. Benefits are paid for a variety of services up to a \$1,000 maximum per member each plan year. For some services there is a plan year deductible of \$50 for individuals and \$100 per family. The employee contributes toward the cost of the plan.

PAY DUE TO ABSENCES OR ILLNESSES

Residents and Fellows are eligible for full salary continuation for up to 29 days of disability. Sick leave is not accrued for residents and fellows. If you are sick or injured and cannot work for more than 29 calendar days, you must apply for short term disability.

DISABILITY INSURANCE

UMMC provides you with disability insurance coverage through Hartford Life. Benefits are available if you are determined to be disabled as defined by the Plan.

The **Short Term Disability** plan covers benefit-eligible residents and fellows scheduled to work 20 or more hours per week. You are eligible to receive 100% of your weekly base salary up until the 90th day of disability and 60% thereafter. Benefits may continue for a maximum of 180 days. Beyond 180 days, you may be eligible for long term disability.

The **Long Term Disability** plan covers residents and fellows who work at least 36 hours per week. The benefit pays 50% of monthly income after short term disability benefits and all paid leave has been exhausted. The benefit integrates with Social Security and Worker's Compensation benefits.

LIFE INSURANCE

UMMC provides a basic life insurance benefit that is equal to 100% of your base salary, up to \$50,000. The carrier is Aetna Insurance Company and the cost of the insurance is paid by UMMC.

Aetna offers supplemental term life insurance to benefit-eligible employees. You may purchase additional insurance for yourself, your spouse, and dependent children at competitive, age-rated premiums. Payments are made through the convenience of payroll deductions. The maximum benefit allowed is five times your annual salary up to \$500,000. You may convert your basic or supplemental group life to an individual policy should you leave UMMC. This must be done within 31 days of your last day of work. For additional information, call Aetna at 1-888-238-6266.

UMMC 403(b) PLAN

If your application is approved, your premium is paid through the convenience of payroll deduction. You may call 1-800-438-6381 for more information.

FLEXIBLE SPENDING ACCOUNTS (FSAs)

UMMC offers a Health Care and Dependent Care Flexible Spending Account Program. FSAs allow you to convert taxable salary dollars into tax-free benefit dollars by paying for eligible health and/or child care expenses with pre-tax dollars. You may enroll during your first 31 days of employment. Thereafter, you may only enroll during the Open Enrollment period unless you have a qualifying family status change.

PAID LEAVE BENEFITS

Residents and Fellows scheduled to work 64 or more hours per bi-weekly pay period are entitled to 120 hours of vacation leave per contract year. Balances do not carry forward into the next contract year, and there is no pay-out for unused vacation leave.

This benefit provides additional compensation to employees who contract HIV as a result of an on-the job HIV exposure at UMMC. It pays a lump sum equal to twice an employee's annual base salary up to a maximum benefit of \$250,000. The benefit will be paid after the employee has been diagnosed as being HIV positive within six months of an on-the-job HIV exposure at UMMC. The benefit is paid by UMMC.

If you are a member of the National Guard or the Federal Military Reserve, you are permitted up to two weeks of leave per year for military training.
